

WELCOME TO ONLINE CATHOLIC HOMESCHOOL

We are proud to become the pioneering parish in the Diocese of Brooklyn to be the first to offer Online Catholic Homeschooling. The program offers the opportunity for total flexible learning online. Students will have the opportunity to engage in fully audio and video lessons at a pace that is conducive to their learning needs. The Parish of Saint Francis de Sales has partnered with *My Catholic Faith Delivered*, which provides the online learning process. The series used is from Ignatius Press “Faith and Life Series.” We are extremely excited to present the “Faith and Life Series” a highly renown catechetical curriculum being used worldwide...

‘Pope Emeritus Benedict XVI...once stated that “Faith and Life” is the best catechetcal series in the German language”...’

We encourage you to visit their website at www.mycatholicfaithdelivered.com

“My Catholic Faith Delivered’s exciting version of Ignatius Press’s - *Faith and Life Series* is designed to meet our children where they learn. With engaging games, assessments, video prayers, Steve Ray *Footprint’s of God* clips, and more, the content of each lesson is brought to life.

In addition to these features we provide full reports that are automatically delivered in real time to the Parish Administrator(s) with student's information such as; the amount of time spent on each lesson, grade for pre and post-assessments, Unit Tests, and a feature to send reminder emails to the parents from us." (MCFD)
