

March 20,2020

Dear Families,

I hope this finds you and your family well and that you are coping with this new way of living to keep our neighbors and ourselves healthy.

Our plan for St. Francis de Sales Religious Education for the next three weeks is to post through Option C Parent Alert weekly lessons that will allow you and your child to continue to stay on track with their classes and preparation for the Sacraments. We have received input from the Catechists as to what they were teaching and have agreed on a Grade wide set of lessons for each child in each grade. If you don't have a text at home, one can be provided for you through an e-book at SadlierConnect (link is below) for Grades K-6. Grade 7 classes will be able to use their textbooks for their assignments. If any 7th grader doesn't have their book, we have 6 left in Rel. Ed office. Please contact me through email Annemarie@sfdsparish.org and I can drop one off to your home. Depending on the length of this crisis, we will keep you informed with any updated information we have concerning Religious Education

All lessons are to be completed within the week. I suggest that you and your family take the time on Wednesday during regular Rel. Ed. time to go over the lessons, discuss the content and most importantly, pray together. The parent is the first teacher of the faith and this is an unforeseen opportunity to turn toward our faith and come together as united believers in Christ.

This is the link needed to access the e-book and resources for Sadlier Connect
